Message from our President

After a marathon meeting in June, the July meeting was rather short.

We are having a very busy season, again, which is a good thing. I hope you all are having the summer you hoped for.

I received an email from a person who was very upset that I have been forwarding the newsletter notification, as well as the other things that I pass on, to him. If anyone wants off of the mailing list, please email me and I will take you off. I do not want to be sending stuff to folks who are not interested.

I will be away at the next meeting. Cal will be chairing the meeting and the metal detecting contest.

Lonny .

There is **NO** charge for attending the Western Washington Chapter of GPAA Meetings and visitors are always welcome.

The meeting was called to order by Lonny.

Lonny led the pledge of allegiance.

Visitors-Cal: Al Comstock, Jim Sellars, Eric Blake, Linda Crespin, Ron – Josh Lexon, Joe Frankie & Liz Norton.

The minutes of the Nov. meeting were read by Doris. A motion was made to accept as read, seconded and passed.

The treasurer report was given by Dannie. There is \$3158.20 in savings and \$2883.75 in checking. A motion was made to accept as presented, seconded and passed.

Correspondence: Quarterly points 155,750, Jim Sellars has a gold cube for sale, and Jerry Gamin has a LDMA membership and a rock crusher for sale. Flyers were received for the Miners Rally. The club now has a membership with the Resources Coalition.

Building cleanup, we got four volunteers today.

Old Business:

The checks for the Resource Coalition and the PLA were sent out. Bill Willett thanked the club on behalf of the Resource Coalition and put in a plug for the Miners Rally in August.

The non-profit 501(C)(3): Lonny is slowly working on this.

New Business:

The Snowball Chance outing: Great attendance, some found gold, the potluck was great. It was mentioned that Don is planning on to make his claim a patented claim. This would change the rules on dredging.

Reminder, fill in holes on dig sites.

Mark Green is resigning the position of Outing Director, as he will be traveling and not around very much.

We will hold a metal detection contest at the next meeting.

2014 outing schedule:

Wadell Creek
July 19
